About [Dementia Adventure](#)

Our vision: A more active and fulfilled life for everyone living with dementia.

Our mission: Supporting people with dementia to get outdoors and experience the benefits of nature.

Values: Positivity, Care, Connection, Empowerment, Inclusivity.

Aims: Dementia Adventure thinks differently about dementia. We aim to provide opportunities for people living with dementia that they might otherwise be excluded from. We look at what people *can* do, not what they can't. We believe that with the right support, everyone with dementia can get outdoors, experience the wellbeing benefits of nature and enjoy more active and fulfilled lives. To achieve this we offer supported holidays and dementia training for family and friends, professionals and organisations.

Purpose or the role:

We depend on our network of volunteers to help us throughout the organisation and you will play a key role in supporting the growing role of volunteers across the whole organisation. With your job share partner, you will manage, support and develop a number of volunteer roles including, but not exclusively, volunteers to help with the delivery of supported holidays and outdoor activities for people living with dementia and their carers, volunteer community connector roles, fundraising volunteers, and administration and support roles, including trustee roles. As a team, you will be responsible for continuing to develop a strong volunteer culture across the organisation, advocating on behalf of and promoting volunteers at all times.

Main Duties and Responsibilities:

- Support the volunteering strategy; building capacity, broadening volunteer engagement and geographical reach, driving and supporting the strong culture of volunteering across the organisation, by effectively recruiting, inducting, retaining, developing and inspiring volunteers
- Support the engagement and deployment of our volunteers to be Adventure Supporters for our supported holidays programme; utilising their skills, experience, and training to support people living with dementia and their carers to access and enjoy all elements of a Dementia Adventure holiday
- Support the engagement and deployment of our volunteers to be Community Connectors locally and regionally; utilising their local knowledge to form partnerships through their community links, raise awareness and support our fundraising to ultimately reach and support more people living with dementia

- Maintain relationships with volunteering and associated recruiters, forums and networks
- Undertake volunteer administration (including DBS checks) and coordinate volunteer activities
- Support best practice in volunteer coordination, including onboarding, induction, resources such as volunteer handbooks, and policies and procedures, including safeguarding
- Support and organise effective learning and skills development for volunteers including the volunteer induction and training programme(s)
- Act as a point of contact for all volunteers, getting to know volunteers, what motivates them, communicating with them, helping them feel connected and supported, and gathering feedback
- Support the development opportunities for volunteers, helping them move into new roles as their own needs and the needs of the organisation change
- Undertake other tasks and activities, as required, to help ensure the smooth operation of other delivery areas.

This job description is intended to include the broad range of responsibilities and requirements of the post. It is neither exhaustive nor exclusive but while some variations will be expected, these will be at an appropriate level for the role.

Person Specification:

The post holder should be able to demonstrate **experience** and **skills** in each of the following areas:
